

DISCIPLESHIP TRIPLETS - NURTURE MATERIAL - WK11

RESOURCES AIM For each member of the triplet to understand. This builds the 0 - OFFERING element of CROWN. This week we focus on calling and serving. RECONNECT Take a moment to tell the story of the week / time since you last met. Ask people to share in no more than a minute each: What are you thankful for? What stresses or challenges are you facing? REVIEW Ask the Accountability Questions: - Have you completed your Bible Reading? Did God speak to you? - Have you been able to meaningfully join with and serve your church family? - What is God doing among your "pray for five."? Have you had opportunities to share God's love? (e.g. SALTI conversations, acts of kindness, etc) - Have you experienced being used, prompted or led by the Holy Spirt? What happened? Each member shares how they got on with the "Listening to God" journal and exercise. Encourage progress made and troubleshoot blockages. Everyone has a part to play, and this is more than just being on a rota when we gather together - helpful though that can be. In our scattered setting, in families, communities, schools and workplaces we are called to be sait and light for Jesus - the church is very much at work out in the places we each go every day of the week. BACKGROUND NOTES	HOW THE "OFFERING" PATTERN FITS INTO THE WIDER TRIPLET MATERIAL
	Our regular Triplets ask each other: Have you experienced being used, prompted or led by the Holy Spirit? What happened? (O: Offering)
	Of course we listen to God in the scriptures, but there is a place to remain open to the Holy Spirit throughout each day. This can be in all kinds of ways - noticing something that encourages us, being prompted to respond to a need or speak, discerning something hidden, prompted to pray for someone who is sick, sharing a spiritual gift in a church meeting, etc.
	It may be that early answers to this question are a regular NO! It could be that someone needs to learn to slow down, to stop and listen. Others may have little experience of listening to the Lord and need to grow in confidence - the church team are happy to help and ministries like The Well offer regular training. Nonetheless, over time we are looking to cultivate a culture in the church of a Spirit led lifestyle.

nature and personality. Are you Apostle, Prophet, Evangelist, Pastor or Teacher?) may help to think about how God can use your life experiences, your Calling: What is it that God has uniquely shaped for you to do? Gifting: What Spiritual Gifts do I think God may have entrusted to Serving: What are the areas of need in my missional community / me? (It may help to think about when you have felt God use you, .) church family that I can help with? (Why not ask your leaders!)
