Men at St Michael's

St Michael's Church Budbrooke

The men's breakfast is part of a broader set of activities and events at St Mike's which exist to encourage and help men explore the relevance and challenges of faith in modern life.

We host regular social events, for example there is a regular golf group which play the Warwickshire Par 3 course - (and the 19th hole afterwards), as well as curry and quiz nights, other occasional themed events and get-togethers to watch big sporting events.

We believe that the life Jesus calls us to is an adventure, and demands much of us. We also believe that great satisfaction is found in living that out—as we make a difference in our families, workplace and communities.

In 2010 we're looking to connect with some inspiring input and maybe have an away day so watch this space!

David Brown

*Our Mission is to: Connect people with Jesus,
and help them grow into mature disciples.*
